MARTINSVILLE, INDIANA

A Friendly Community---A Good Place To Live.

Known from coast to coast as a watering place where generations of people have come to rest from life's battle of nerves and to lose their aches and pains, Martinsville, Indiana, is regarded by those who live here as one of the best places on earth to call home. Martinsville's noted spas were the outgrowth of the discovery of mineral water while drilling for gas in 1885. There are four very fine sanitariums located here.

Martinsville is the seat of Morgan County. It lies approximately half way between Indianapolis and Indiana University at Bloomington on State Highway 37.

Martinsville is served by the Pennsylvania Railroad for freight shipments and various motor trucks. Passenger service is provided by the Greyhound Lines, the Indianapolis & Vincennes Coach Co., the Indiana Scenic Bus Line and the Indianapolis-Martinsville Bus Line.

A spirit of friendly co-operation exists between residents of town and country, and Martinsville is a trading center for approximately twenty-five thousand people. Residents of Martinsville thus have opportunities to engage in a diversity of worthwhile activities in business, the professions and socially.

Morgan County has, in addition to its own rugged hills, forests and streams of ever-changing beauty, some of the most fertile land to be found in the Middle West.

Adjoining Morgan County to the southeast is Brown County, noted for the beauty of its scenery and as a mecca for artists.

Enterprising leaders of this community have literally gone into the earth to develop industries, many of which are unusual. Martinsville boasts of at least nineteen industries ranging in products from gold fish to rustic furniture.

Martinsville offers many cultural and recreational advantages. The Martinsville Country Club is one of the most attractive and has one of the best golf courses in the state.

Martinsville has a new city park which is a very popular spot all during the summer months. The park consists of fifty-four acres of unusual conformation dominated by a large hill. There are three shelter houses, a caretaker's residence, three tennis courts, softball diamonds, outdoor furnaces and a pond for winter skating.

The public school system (four grade schools and a junior and senior high school) of Martinsville embraces the town and several adjoining townships. Courses of study are designed to fit the needs and life purposes of the students. There is a very fine large high school gymnasium-the result of three state basketball championships.

Other community assets include the Morgan County Memorial Hospital, the Martinsville City Library, Churches of various denominations, the Morgan County Fair, women's clubs, lodges, picture shows, out-door theatres, conservation clubs with a club house and grounds on Indian Creek, Lions Club, Kiwanis, Chamber of Commerce and Junior Chamber of Commerce.

There are two local newspapers to serve the community-a daily and a weekly.

Martinsville is well served by good utilities. The city owns the water works. Reliable electric current is supplied by the Public Service Company of Indiana. One of the principal mains of the Indiana Gas and Water Co., Inc., brings a good supply of natural gas to the community. Superior telephone service is maintained by the Indiana Bell Telephone Company.

CONTACT THE CHAMBER OF COMMERCE

Telephone DIckens 2-6691 for Information on Martinsville Its Industries, Its Business, Its Community Affairs

The Martinsville Chamber of Commerce, founded in 1940, is the ONE organization in Martinsville which constantly devotes time and efforts to benefit our Community and to help maintain our slogan "A Good City in which to LIVE - in which to WORK and in which to do BUSINESS".

Your Chamber of Commerce constantly cautions it's citizens about doing business with out-of-town persons, companies and firms of which they know nothing about their reputation. Always check with us for information on solicitors, peddlers, and other transit type of businesses. Be sure you know with whom you are dealing before you deposit money or sign contract with unknown parties.

If you are not a member now, get behind those working in your home town and join your local Chamber of Commerce.

ROBINSON'S
